### INSPIRATION

Being Italian means a lot more than simply belonging to a nation. And that is what Doppio Passo is all about: the simple pleasures of life that tastes even better when enjoyed together.

### VINIFICATION

The innovative method we use for dealcoholization is called "spinning cone columns". It involves a unique process that allows for the removal of alcohol from wine while preserving its flavor and aroma compounds. Overall, this technique offers a sophisticated and efficient approach to dealcoholizing wine, allowing to produce alcohol-free wines without compromising on taste and quality.
